

WOMEN'S HEALING JOURNEY

*A Weekend of Spiritual Renewal at
The Rex Ranch, a mountain resort nestled
in Amado, Arizona*

September 19-21, 2008

*Every day life becomes suspended as we
separate ourselves from ordinary time
and space to begin the journey....*

The Retreat begins on Friday afternoon and concludes on Sunday afternoon.

Fees are all inclusive for room, board, activities, and supplies.

- Participants share rooms unless otherwise requested. There is an additional fee for a private room.
- The Rex Ranch provides specially prepared food throughout the weekend.
- Clothing needs and directions to Rex Ranch arrive by mail one month prior to your journey.
- We provide everything except for the unique talent that is *YOU*.

The Turtle Island Legend

According to Native American legend, the back of a giant turtle supports the earth.

The turtles' slow, deliberate movement provides for changes of time and seasons. An impenetrable fortress, when threatened it finds strength within. It makes progress only when it sticks out its neck. The ancients called this whole world "Turtle Island."

We Invite You to Join Us

for a most special weekend of heart and spirit, while we discover and rejuvenate the essence of that dynamic feminine power which resides in each of us.

– Paula Gunn Allen

*In the beginning was
thought, and her name
was WOMAN...*

The Sacred Hoop

Blending ritual, ceremony, myth and storytelling based on Native American and other transcultural teachings, along with mind, body and spirit (psychoneuroimmunology) practices; we will explore and provide a healing view of our natural, psychological and biological cycles as *Women*.

Join us as we cultivate an expanded vision of health, so that we can reconnect to our inner strength as *Women*, and so that we may share these teachings with the women, men, and children with whom we walk.

Among the many experiences shared by all will be...

Talking Circles • Storytelling • Story-Crafts
Sweat Lodge • Drumming • Chanting
the Pipe Ceremony • a Vision Walk
a Woman's Honoring Ceremony
and a Sunrise Ceremony.
